**Create Childhood  
Memories That Will Make  
a Lasting Impact**

COMING MARCH 2020

Christmas is a time to draw close and cherish each other.

The gift of family time is something we always need.

My prayer is that this book will be a blessing to you and all the kids in our family.

Thank you for your love, care, and guidance.

May all of our family learn as much from you as I did.

**Merry Christmas**
